Work history

CURRENTLY: Advising on strategic, institutional development and governance frameworks. Leading research initiatives on policy implementation and impact assessment.

DIPLOMA PROGRAMME IN DEVELOPMENT POLICIES AND PRACTICES – JUNE 2024-JANUARY 2025

Deepened knowledge in social and economic empowerment, gender mainstreaming in development projects, global governance, sustainable development goals, resilience, leadership, communication and negotiation and leadership skills. As a part of the programme I conducted the qualitative research on citizen participation in local strategic planning process.

PROJECT COMPONENT MANAGER- 2022-JULY 2024 SWISS INTERNATIONAL ORGANIZATION HELVETAS INTERCOOPERATION

Oversaw project strategies for governance and institutional strengthening. Managed cross-sector partnerships and liaised with international organizations. Led results-based management (RBM) for project evaluation and reporting.

CAPACITY BUILDING AND HR Officer -2019-2022

CZECH INTERNATIONAL ORGANIZATION PEOPLE IN NEED

Developed staff capacity-building strategies and performance evaluation systems in consultation with the head office. Conducted needs assessments to optimize programme impact. Established strategic knowledge-sharing frameworks across programme teams. Updated organization handbook with participation of all country staff.

PROJECT MANAGER – 2017-2019

CZECH INTERNATIONAL ORGANIZATION PEOPLE IN NEED

Managed the modelling, planning, and execution of all project implementation and financial processes in Economic Development, Regional development and Social Development portfolios, 4 projects in total. Was involved in project proposal writing process, communication with donors and partners and People in Need head office and regional offices.

PROJECT MANAGER- 2016 to 2017

OXFAM SPINOFF BRIDGE INNOVATION AND DEVELOPMENT

Managed the modelling, planning, and execution of project implementation and financial processes of EU funded Resilient Communities project. It was a regional project in close collaboration with Armenia. The project had a large component on gender resilience and gender in disaster risk reduction. I was involved in research, designing and implementing all project activities.

GOVERNANCE AND ADVOCACY COORDINATOR – 2014-2016, HEKS-EPER – MOLI in KAKHETI PROJECT

My journey in governance started in the Kakheti region, where I helped create space for dialogue between local authorities,
